On April 26, Village Green Companies will host its annual fundraiser – Splash Day 2008. This festive celebration is supported by the company's Detroit-area residents, associates, local businesses and friends of the Autism Society who enthusiastically collect pledges to plunge into chilly pools (and have some fun!)

Come celebrate National Autism Awareness Month, benefit the Autism Society of America, Oakland County Chapter, and raise awareness for Autism Spectrum Disorders.

The entire family is invited to join us for music, food and fun!

Pledge your support using the form below or online at [www.asaoakland.org](http://www.asaoakland.org). Funds raised will support summer inclusion camp grants for students with ASD.

Please make yours count!  
Make checks payable to the
